ST. CHARLES

MARKET

AT THE CENTRE OF IT ALL

The area bordering Beechwood Avenue has come to be known as Beechwood Village. This community has a character and charm unlike any other in Ottawa.

Steps away from the Rideau River and surrounded by numerous walking and cycling trails, Beechwood Village is a lushly treed neighborhood boasting shops, restaurants and great schools - both public and private. All this, and it's still just a short stroll to the ByWard Market and downtown.
